## *Unsettling Facts*

**47%**

**of US jobs could be  
automated by 2033.  
800 MILLION jobs  
worldwide will disappear.**

# 2 TRUTHS

**TECHNOLOGY**  
is changing  
quickly, and  
seems to be  
getting faster.

**Changing an  
organization and  
its people (*how  
they think and  
behave*) is still  
hard and still  
slow**

## *Unsettling Facts*

**89%**

of companies listed  
on the Fortune 500  
in 1955 are gone.

Only 53 companies  
still exist.

**DON'T  
BE  
LIKE  
HAZEL**

A woman with long brown hair and bangs, wearing a white short-sleeved shirt, is sitting in a red office chair at a desk. She is looking at a laptop screen and has a wide, enthusiastic smile. Her right hand is raised in a fist pump gesture, and her left hand is resting on the desk. The background is a modern office setting with glass walls and a whiteboard.

A top-down view of a desk with a light brown wooden surface. On the left, a white smartphone is partially visible. In the center, a white notepad is open. On the right, a white pen with silver accents lies vertically. A yellow rounded rectangle is overlaid on the notepad, containing the numbers 8, 5, 1, 3... and (2, 4, 6, 7, 9) in a dark red font. Below this rectangle, the words 'Eight', 'Five', 'One', 'Three', and 'Two' are written in a blue font, corresponding to the numbers above.
